

Job Description

Department	Financial Analysis
Organization Name	Mangal Analytics & Research Consulting Pvt. Ltd
Company Profile	<p>Mangal Analytics & Research Consulting Pvt. Ltd. (MARC) is one of the fastest growing companies offering Business Advisory Services in India. Since its inception in 2010 as Mangal Advisory Services (MAS), it today has a footprint across India as well as International Markets, offering a wide range of services. The company in 2015 was re-branded as MARC to showcase its enhanced portfolio of services.</p> <p>It has positioned itself strongly in the market, delivering specialized services in three key verticals namely Mergers & Acquisitions, Financial Analytics and Market Research.</p> <p>MARC operates from its offices located in Mumbai, Pune and Goa. It has a network of consultants situated in Kolkata, Bengaluru and Uttarakhand, catering to the East, North and Southern regions of India.</p> <p>MARC works with several international consultants and executes niche financial projects. In 2014, the company has entered into an MOU (Memorandum of Understanding) with a Portugal based giant, which is well established in other parts of Europe, Africa and South America. This strategic alliance will facilitate the growth of Indian companies in the international markets. Vice versa, this partnership also lends foreign companies the expertise and guidance needed to enter the Indian market across sectors.</p> <p>The firm is mainly focused on providing guidance to the burgeoning SME sector to empower small and medium businesses with appropriate financial and analytical techniques. As a team, MARC lets entrepreneurs focus on achieving key objectives in their business by taking charge of other complexities; which in turn leads to unprecedented growth.</p> <p>Progressing at a fast pace, the company has already served more than 200 SMEs across the country, offering project reports / business plans, and outsourced CFO services.</p> <p>MARC is also a valuable associate to larger firms that need to execute due diligence and feasibility transactions across the country.</p>
